ANNEXURE 1

School Trip Activities – Tegano Recreation Center

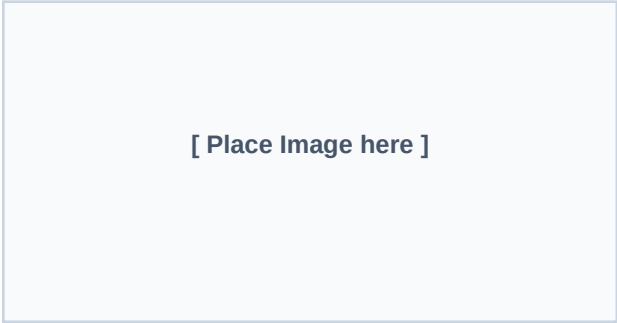

During the visit, students will have access to the following supervised recreational activities designed to provide fun, physical exercise, and social interaction in a safe environment:

1. Electric Go-Kart Racing – Students drive mini electric go-karts on a safe track.
2. Mini Electric Car & Motorcycle Rides – Children ride battery-powered cars in a supervised area.
3. Carousel Rotating Ride – A gentle rotating ride with colorful vehicles.
4. Inflatable Bouncy Castles – Large inflatable castles where children can jump safely.
5. Inflatable Adventure Play Structures – Inflatable play zones with climbing, sliding.
6. Water Splash Pool Play – A shallow splash pool where children can enjoy safe water play.
7. Inflatable Water Slides – Inflatable slides allowing children to slide into the splash pool.
8. Inflatable Water Climbing Wall – A soft inflatable climbing wall.
9. Trampoline Jumping – A trampoline area where children can jump safely.
10. Interactive Driving Games – Ride-on vehicles with steering.
11. Outdoor Free Play Area – A spacious outdoor environment for relaxation.
12. Swings and Balancing – Playground swings and balancing equipment.
